Mr. John Thatcher

Mt. Vernon, OH 43050

Mr. Thatcher

Attorney Donald Wick, my father, suggested that I contact you. I am currently a first-year law student at the Ohio Northern University School of Law, and am planning a legal career in the practice of criminal litigation. My father told me that you have been the prosecutor for 4 years and are a renowned trial attorney. I have also learned since your election to the prosecutor position you have doubled the number of felony prosecutions. These facts have sparked my interest in working within your office. I am hoping that you could provide some guidance for me as I embark on my career in criminal litigation.

As you can see from my enclosed resume, I have worked as an intern for the Port Columbus Airport Authority Police Department prior to law school and have competed in mock trial competitions in undergrad and now I am coaching an undergraduate team as a law student. These experiences have given me insights into the aspects of criminal litigation. I am currently seeking a summer position that can help me to build upon my experiences to pursue my goal of becoming a criminal law attorney.

I will be in the area from December 22nd until January 9th. I hope that we can meet briefly during this time. I will telephone you to see if we can arrange a meeting time.

Thank you for your consideration.

Sincerely,

Andrew Wick
